

WEDDING – May 24<sup>th</sup> 2008

Hi Perry,

I just wanted to let you know that Ariane and I are STILL getting comments about you and they are all great.

We might even be lining up another wedding for you (one of Ariane's bride's maids).

So again, thank you and I hope to call upon again in the future,

ps: Now that I have a job, I drive the car ;) hehehe

Hello Perry,

Jon and I wanted to thank you very much for the wonderful evening.

I have to let you know that we have had many compliments on our choice for DJ. They all liked the fact that you are very friendly and good at improvisation when things were not so predictable.

You are a great entertainer.

The music was also very good, and thank you for taking special requests.

We will definitely recommend you to any event and hope that you enjoyed the evening as well, and the food

Ariane and Jonathan
