

WEDDING - MAY 24th 2008

Hi Perry

We would like to thank you for making Ariane and Jonathan's wedding a wonderful evening.

Your ability to read the audience and provide the entertainment in French and English, as well as the music they wanted to hear at the right time, truly showed your professionalism.

You provided this with humour and class and it showed in the unanimous comments we had from our guests.

Thanks Perry, you are a class act!
